A truly unique experience, hop aboard the 'Downs Explorer' and travel back in time and see the picturesque Southern Downs countryside from a restored vintage railway carriage.

The Abbey Boutique Hotel has 3 different packages to help you explore our beautiful backyard for a memorable weekend escape.

Start your journey at the historic Warwick train station, at its height, this was a hive of activity with over 300 people employed and 60 trains arriving and departing per day. The station has also welcomed English Royal family members and in 1917 Australian Prime Minister Billy Hughes was hit with an egg while giving a speech on the platform! Make sure you ask for the long version on that story!

Today the Warwick Railway Precinct is home to the Southern Downs Steam Railway Assoc, a volunteer, not for profit group, looking after the C17 Steam and DH45 diesel locomotives and vintage carriage fleet. For more information visit <https://downsexplorer.org.au/>
